PARTS				LABOR			
Amount	Description	Price	Total	Description	Amount	Rate	Total
				Total Estimated	$33,130.00		
				Labor Billed - See Attached			$33,130.00
							$0.00
				Complete Revival			
				NO vapor honing - Super deep cleaning of aluminum cases, wheel hubs and brakes to make them appear like new. Creates a very long lasting finish. Must be done with a wheel rebuild with new spokes.			
				Touch up paint on tins (fenders, tank, headlamp and taillamp with a brush; polish and detail) (see update as of 6/5/25).			
				Powder coat frame and brackets to semi-gloss black			
				Scottie's High Performance Brakes FRONT and REAR			
				Sidecar Revival (inspect and replace suspension bushings, if needed; inspect and service wheel bearing; touch up paint with a brush; polish and detail entire sidecar.			
				Update: 6/5/25 Scottie spoke to John who approved bodywork, paint and stripes. $6500. Also, after the final inventory, we will contact John with a list of items that have questionable cosmetics with photos and prices to replace or repair such items in order to improve the cosmetics of the bike.			
		Total	$0.00				
				Storage Fees			
				Bikes left more than 30 days after completion date will incur a storage fee of $15 per day	**0**	**$15.00**	$0.00
							$33,130.00

Thank you for your patronage of our workshop. Please inquire about our cash discounts. If paying by check, please make your check payable to "Scottie's Workshop". We also accept Paypal, Credit Card (2.9% fee added) and Bank Wire ($15 / wire).

SHOP SUPPLIES	
Solvent Tank & Buffing Supplies	$57.69

Fuel Unleaded	$12.00

Aluminum Cosmetic Items	33 53 3 054 172 -- $21.27 cap nut rear swingarm polished aluminum R26-R69S	0	Polished in house		
Aluminum Cosmetic Items	33 53 3 054 212 -- $36.54 cap top rear shock polished aluminum R26-R69S	0	polished		
Shocks	33 53 3 054 270--$13.40--quantity 1--right rear lower shock bolt pss	1			
Wheel	36 31 4 038 243 -- $19.95 wheel thrust sleeve LHS for late hub plug R50/2-R69S use in 36 31 4 038 272	2			
Wheel	36 31 4 038 255 -- $9.09 felt ring cap in wheel hub R50-R69S				
Wheel	36 31 4 038 259F -- $1.95 felt ring RHS and inside old style hub plug R50-R69S				
Wheel	36 31 4 038 259S -- $9.95 seal substitute seal for the felt ring and cover inside wheel R50-R69S (New Style Seal)				
Wheel	36 31 4 038 267 -- $3.62 felt ring cover plate for old style hub plug R50-R69S				
HEADLAMP	61 32 8 048 173 -- $159.95 NORIS terminal board in headlight bucket R25/3-R69S				

	LABOR DETAIL - Project #1009								
If "X" then deleted from Work Order	Descr	**Estimated Hours YET TO BE BILLED**	**Estimated Time Units (1/6th hours) YET TO BE BILLED**	**Estimated Ext**		**Tech**	**Billed Qty**	**Rate**	**Billed Ext**
	ESTIMATE: This is an estimate based on photos and video and discussions we've had about your motorcycle and sidecar. Because some wear and damage my be revealed after disassembly, this estimate is subject to change (be reduced or expanded). We will notify you if the estimate changes more than 20%.								
	Revival Service - DISASSEMBLE MOTORCYCLE TO INDIVIDUAL PARTS, NO VAPOR BLAST, REBUILD ENTIRE POWER TRAIN; REPLACE ALL ELECTRIC WIRING WITH NEW; PAINT CHASSIS: rebuild engine (slinger service with top end overhaul, seals and gaskets and hard parts if required - did not estimate new pistons, nor crankshaft rebuild--if bike is running well, this will probably not be needed. These items can only be measured and inspected upon engine disassembly.), transmission rebuild (new bearings if needed, seals, gaskets), final drive (new seals and gaskets), clean all parts; strip chassis and brackets, powder paint all chassis and brackets semi gloss black, replace all chassis wiring and chassis bearings with new items, shocks have already been rebuilt recently; rebuild driveshaft u-joint if nec; replace all rubber items if nec; replace all cables if nec; clean and inspect all hardware, cad plate all raw steel hardware, including sidecar hardware; replace cosmetic hardware with stainless or chrome; paint handlebar controls, replace handlebars, assemble motorcycle. No vapor. Rebuild wheel bearings. Polish assembled spoke wheels as best as possible. Assemble and test motorcycle			$23,750.00					$23,750.00
	update as of 22625. customer approved stainless steel hardware throughout.								
	Touch up tins (fenders, tank, light housings) as best as possible, polish and detail			$720.00					$720.00
	Deleted touch up service and replaced with paint job *see below			-$720.00					-$720.00
	Sidecar Revival (inspect and replace suspension bushings, if needed; inspect and service wheel bearing; touch up paint with a brush; polish and detail entire sidecar. Also, replace lamp lens, cad plate sidecar linkages. This line item is an estimate to replace small items on the sidecar which were revealed in the video. If additional items are detected, we can add them to the estimate, which may increase the costs.			$1,440.00					$1,440.00
	Remove sidecar from motorcycle; attach to dolly. After motorcycle is complete, attach sidecar to motorcycle and align sidecar with road test			$1,440.00					$1,440.00
	OPTIONAL								
X	Rebuild 3 wheels (If there is a spare on the sidecar, add 33%); Disassemble wheel assemblies, discard spokes; polish or replace rims, paint (or renew) hub caps, renew hub nuts, renew wheel bearings, lace wheels with new Buchannan stainless steel spokes, install new tires and tubes and balance wheel assemblies.		$1,750.00						
X	Vapor honing - Super deep cleaning of aluminum cases, wheel hubs and brakes to make them appear like new. Creates a very long lasting finish. Must be done with a wheel rebuild with new spokes. We did not vapor blast the driveline.		$1,250.00						
	Install SOLO SEAT (customer supplied)								
	Install new dual narrow saddle (bannana seat). The wide saddles are NLA.		$950.00						
	Additional items to repair:								
	Pistons, Bore and Hone Cylinders								
	Update 2/27: Customer approved Stainless steel hardware								
	Update: 6/5/25 Scottie spoke to John who approved bodywork, paint and stripes. $6500. Also, after the final inventory, we will contact John with a list of items that have questionable cosmetics with photos and prices to replace or repair such items in order to improve the cosmetics of the bike. $6,500.00			$6,500.00					$6,500.00
